10 Admiration for Run since "Sucker M.C.'s"

11 Papi bilingual, sell a single with ease

12 Y'all think that I'm done, Run don't got no flow?

13 What is you loco? I'm grande gato pa-po

14 Run and Bo, D.M.C. and Fat Joe

15 Fo' cats on the same track got dough

16 Us cuatro, lock flow, you don't know?

17 From New York City to Puerto Rico (whoa)

18

19 *[Chorus]*

20 Ay papi, tu sabe, yo tengo (??)

28 Layin down the format, sippin on that Cognac

29 Where the Don at?

30 I'm at Hollis with the kings payin homage to the things

31 they accomplished in they teens and I never stop throwin them flings

32 Control of the game, I'm right here over the rain

33 A human pot of gold, I already had a lot of flow

34 Ready to rock steady with Run and make a lot of dough

35

36 *[D.M.C.]*

37 You might tell from the way I talk

38 that sucker MC's is who I stalk

39 Create in a rhyme that is in formation

40 Or why I made such a rap creation

41 That is bound, to be reknowned

42 within this city as a funky sound  
43 And to those that try to put me down  
44 My DJ has jams, by the pound (c'mon, let's go)  
45  
46 *[Chorus]*  
47  
48 *[Bo Skaggs Nitty]*  
49 Skaggs Nit'  
50 Aiyyo I rolled up, in the spot that I rolled up  
51 My ice glitter like hold up  
52 All the chickens like, "Look at Bo, he done grewed up  
53 Thinks he the bomb, bet his beeper stay blowed up"  
54 So much frost on my wrist look my fist froze up  
55 A photographer is tryin to get a little close up  
56 Why cause I'm a star now? Buy out the bar now?  
57 Or I press one button, start up my car now?  
58 I heard that you wanna spar now, so baby it's on  
59 I spit flows, rip shows 'til the day that I'm gone  
60 And this day I hit 'em off I'll have America sewn  
61 Rich plat', rims chrome, spin (?) to your dome  
62 I entered your home, lick you down, strictly to bone  
63 The hit that I'm on got Spanish mamis singin my song  
64  
65 *[Chorus - 1.5X]*
