

Meredith Brooks*Back To Eden*

1 Fill me up with a promise
2 Touch my eyes so I can see
3 The tears have dried the clouds have broken
4 Come to me
5 Fill my body with innocence
6 Come lay your head upon my pillow
7 Test my strength over and over
8 'Til I'm weak
9 Won't you make me weak
10
11 Hey now take me back to Eden
12 I'll fly when you call my name
13 Give me Heaven while I'm sleepin'
14 Back to Eden hey hey now now
15
16 I surrender tear my house down
17 Shame will lose its hold on me
18 A thousand nights I invite you
19 Crash through me
20
21 Hey now take me back to Eden
22 I'll fly when you call my name
23 Just like it was in the beginning
24 Back to Eden hey hey now now
25 hey hey now now
26 hey hey now now
27 hey hey now now
28 hey hey now now
29
30 I tremble when you pass through me
31 I burn like a rose on fire
32 This secret storm in me is humbled by your desire
33 I swallow your kisses deep
34 A million voices rise up
35 They cry they cry they cry out to me
36
37 Fill me up with a promise come to me
38 Won't you come to me
39
40 Hey now take me back to Eden
41 I'll fly when you call my name

42 Give me Heaven while I'm sleeping

43 Back to Eden hey hey now now

44 hey hey now now...
