1 *[Verse 1:]*
2 Today i got a message

5 Sayin you hate him
6 But to get it verbatim
7 I'd have to curse like you do
8 Well
9 I'm not sayin its your fault
10 I'm not sayin he werent rwrong
11 But before we go into that
12 I wanna get my point across
13

16 Down down down down)
17 I didnt have to be this way
18 You didnt have to see this pain
19 Thats all around you now
20 You was iggin me
21 When it was drizzlin
22 And now you feelin the rain
23 Its like pourin on you
24 Dont ever say i never warned you
25 No
26
27 *[Hook:]*
28 I dont mean to rub it in
29 But i told you so
30 You asked me as a friend
31 But i gave my best advice
32 When i told you no
